

CURRICULUM VITAE

Patrick P. Yeung, Jr., M.D.

Assistant Professor & Director, Center for Endometriosis
Saint Louis University
6420 Clayton Rd., Ste. 290, St. Louis, MO 63117
(314)-781-1505

Education

Hon. B. Sc 1991-1995	University of Toronto, Canada
M.D. 1996-2000	Queen's University Kingston, Ontario, Canada
Residency 2000-2003	Family Medicine St. John's Mercy Medical Center St. Louis, MO
Residency 2003-2007	Obstetrics & Gynecology Georgetown University Medical Center Washington, DC
Fellowship 2007-2008	Advanced Gynecologic Endoscopy Junior Faculty, Instructor University of Louisville, Louisville, KY
Fellowship 2008	Fellow in Laparoscopic Excision of Endometriosis Center for Endometriosis Care, Atlanta, GA

Board Certification and Licensure

2011-present	Missouri license
7/11/2003	American Board of Family Practice
1/12/2009	American Board of OB/GYN

Professional Experience

8/1/2011- present	Saint Louis University Assistant Professor Director, Center for Endometriosis Minimally Invasive Gynecologic Surgery Obstetrics, Gynecology and Women's Health
-------------------	--

- Academic Office 6420 Clayton Road, Suite 290
St. Louis, MO 63117
 - Clinical Office SLUCare, 1031 Bellevue, Suite 400
St. Louis, MO 63117
- SLUCare, 224 S. Woods Mill Rd. Ste 665
St. Louis, MO 63017

2008-2011 Founder and Director, Duke Center for Endometriosis
Research & Treatment
Duke Center for Minimally Invasive Gynecologic Surgery

Professional Society Memberships

2011- present World Endometriosis Society

2011- present American Association of Fertility Care Professionals

2011- present Member, St. Louis Gynecologic Society

2010-present Fellow of American College of OB/GYN (FACOG)

2010- present International Institute for Reproductive & Restorative Medicine
Surgical Consultant [2011]

2006-present Society of Laparoendoscopic Surgeons (SLS)

2005-present American Associate of GYN Laparoscopist (AAGL)
Chair of Research Committee 2011-12

2003-present American College of Obstetrics & Gynecology (ACOG)

2007-2009 American Society for Colposcopy & Cervical Pathology (ASCCP)

2002-2008 Canadian Medical Register

2000- present Catholic Medical Association

2000-2010 American Association of Family Practice (AAFP)

Honors and Awards

2008 Jay Cooper Endowed "Best Paper on Minimally Invasive Gyn"

2007	Kurt Semm "Excellence in Pelviscopy"
2004, 2007	Teaching award for student education
2004	Genetics award, internship year

Chapters in books:

1. Chapter on Laparoscopic Treatment of Rectovaginal Fistula. Nezhat's Operative Gynecologic Laparoscopy with Hysteroscopy: Principles and Techniques, 3rd edition. Cambridge University Press. (April 30, 2008).

Posters, awards:

1. Complete laparoscopic excision of endometriosis in teenagers: Is postoperative hormonal suppression necessary?. Poster presentation at AAGL annual conference, Orlando, FL 2009 and at the World Symposium of Endometriosis conference, Atlanta, GA on March 24-26, 2011.
2. Yeung P, Justice T, Pasic R. Validation Study on the Use of Video in Laparoscopic Training: A Randomized, Controlled Study. *1st prize winner of the Jay Cooper Endowed Award for Best Paper for the AAGL Fellowship 2008.*
1. Nezhat C, Yeung P. Preoperative periumbilical ultrasound-guided saline infusion (PUGSI) as a tool in predicting obliterating subumbilical adhesions in laparoscopy. Poster presentation at ACOG conference in May 2007. *1st prize winner of the Kurt Semm award at AAGL conference 2007.*

Presentations:

1. Laparoscopic Instrumentation for Single Port Surgery, International Society for Gynecologic Endoscopy Congress, Florida, March 28, 2012.
2. Early Diagnosis and Complete Excision: can Endometriosis be eradicated? 3rd Annual Congress Endometriosis Foundation of America, New York, March 15, 2012.
3. Is LESS More? Grand Rounds University of Tennessee, Memphis February 7, 2012.
4. LESS Surgery: Advancing your Minimally Invasive Practice. Dinner Symposium at University of Tennessee, Memphis,, February 6, 2012
5. Best Practices in the Surgical Management of Endometriosis, Grand Rounds St. Clare Hospital, February 2, 2012

6. Best Practices in the Surgical Management of Endometriosis, Grand Rounds Mercy Health Center January 18, 2012.
7. Best Practices in the Surgical Management of Endometriosis Grand Rounds St. Luke's Hospital January 16, 2012
8. Best Practices in the Management of Endometriosis. Grand Rounds Mercy Hospital, January 18, 2012
9. Best Practices in the Management of Endometriosis. Grand Rounds OB/GYN December 9, 2011.
10. Addressing Infertility within Catholic Moral Vision. Catholic Fertility Conference. Sts. Luke and Gianna Medical Guild. Lexington, KY 11/19/2011. Invited Speaker
11. LESS instrumentation and LESS Basics. AAGL World Conference, November 6, 2011
12. SILS instrumentation & Getting started with SILS. Charlotte, NC 10/16/2011. Invited speaker.
13. Endometriosis: when and how to operate? Fall Conference, OB/GYN, October 14, 2011
14. Peritoneal Access: LESS is more: Basics of Single Site Surgery. Minimally Invasive Gynecologic Surgery AAGL Fellowship, Florida October 6, 2011. Invited speaker
15. Advancing your practice with SILS. SILS Mobile Truck Tour, June 22, 2011.
16. Advancing your practice with SILS. SILS Mobile Truck Tour, June 15, 2011.
17. Endometriosis: when and how to operate? on-lin webinar, June 14, 2011.
18. Advancing your practice with SILS. SILS Mobile Truck Tour. June 1, 2011.
19. Laparoendoscopic Single Site Surgery. Session at North Carolina Obstetrics & Gynecology Annual Meeting, Asheville, North Carolina, April 17, 2011.
20. Advancing your Practice in Minimally Invasive Gynecologic Surgery. Dinner symposium, April 12, 2011.
21. Advancing your Practice in Minimally Invasive Gynecologic Surgery. Dinner symposium, February 8, 2011.
22. SILS Instrumentation and Getting Started with SILS. Single Incision Laparoscopic Surgery Course, February 6, 2011.
23. Complete laparoscopic excision of endometriosis in adolescents: Is hormonal suppression necessary? Oral presentation. AAGL World Congress, November 11, 2010.
24. Single Incisions Laparoscopic Surgery. AAGL Covidien Energy Masters Course. November 7, 2010.

25. The Laparoscopic Management of Endometriosis. Session at Carter Society (Duke faculty and alumni) meeting, Asheville, North Carolina, October 30, 2010.
26. LESS Basics, Tips and Tricks. Advanced Laparoscopic Gynecologic Surgery Conference, October 9, 2010.
27. LESS Basics: Tips and Tricks. Advanced Laparoscopic Gynecologic Surgery Conference, June 2010.
28. Endometriosis: When and How to Operate. 2nd Annual Course in Gynecologic Specialties and Advanced Laparoscopy. May 2010.
29. Advancing your practice with SILS. Dinner Symposium. May 2010.
30. Single Incision Laparoscopic Surgery for Total Hysterectomy. Pre-Congress Lecture for ACOG. May 2010.
31. The Surgical Management of Endometriosis. Grand Rounds, Rex Hospital, Raleigh, North Carolina, October 1, 2009.
32. The Laparoscopic Excision of Endometriosis. North Carolina Obstetrics & Gynecology Society, April 26, 2009. Grand Rounds, December 10, 2008. Department of Obstetrics & Gynecology, Duke University.
33. A Comparison of Text versus Video in Laparoscopic Training for the Novice Surgeon: A Randomized, Controlled Study. Presented at AAGL and ASRM conferences 2008.
34. Difficulties and Challenges for Research in Endometriosis. Presented at 2nd annual international AAGL conference with SOBENGE in Sao Paulo, **Brazil**, 2008.
35. A Systematic Review of the Laparoscopic Management of Endometriosis. Grand rounds, April 1 2008. Department of Obstetrics & Gynecology, University of Louisville.
36. Serum Levels of Hormones Known to Affect Parturition in Patients Receiving 17 alpha-Hydroxyprogesterone Caproate (17-P) for the Prevention of Preterm Delivery. Presented at Resident Research Day 2007, Georgetown University Hospital.
37. Thigh Abscess Mistaken for Sarcoma Following Transobturator Tape: A Case Report and Literature Review. Oral presentation at annual AAGL conference 2006.

Videos:

1. **Laparoscopic excision of endometriosis using carbon dioxide (CO₂) laser**. Presented at the AAGL annual conference in Las Vegas and at the Surgical Film Festival (SURFF) in Raleigh-Durham, 2010. Presented at the World Symposium on Endometriosis, Northside Hospital, Atlanta, GA, March 24-26, 2011.
2. **Hysteroscopic resection**. Educational video sponsored by Gyrus/ACMI, available at www.gynlaparoscopy.com and www.ObGyn.net. Preview prepared and presented at ACOG Annual Clinical Meeting, May 5-7, 2008. Presented at AAGL annual conference 2009.

3. **The management of dermoid cysts.** Educational video on the laparoscopic management of dermoid cysts, available on www.gynlaparoscopy.com. Presented at for the AAGL annual conference 2008.

Current Non-Funded Research:

1. Yeung, Patrick P, Holloran-Schwartz, Mary B. Multi-center, Randomized, Controlled Trial of Single Site Laparoscopic Surgery versus Conventional Laparoscopic Surgery for Total Hysterecomy.
2. Yeung, Patrick P. Prospective Database and Tissue Bank for the Saint Louis University Center for Endometriosis. 2011-present.
3. Yeung, Patrick P. Patient Preferences for Cosmesis for Incisions in Gynecologic Surgery. 2010- present.
4. Yeung, Patrick P. A Multi-Center Cohort Study of Patient After Excision of Endometriosis: A pilot study. 2009-present.

Grants:

Principal Investigator for Proposal: "A Standard process for obtaining samples of endometriosis for research: a validation study. Sponsored by Institute of clinical and translational sciences, Washington University, 10.24.11

Revised:: 4/23/12

Patrick P. Yeung, Jr., M.D.
