

Curriculum Vitae

Terri Rebmann, PhD, RN, CIC, FAPIC

Title: Director, Institute for Biosecurity

Professor of Epidemiology

Work Address

Institute for Biosecurity

Saint Louis University, College for Public Health & Social Justice

St Louis, MO 63108

Cell: (314) 324-7856

Email: terri.rebmann@slu.edu

Current Positions:

Director, Institute for Biosecurity

Professor, Department of Epidemiology & Biostatistics

Saint Louis University College for Public Health & Social Justice

Consultant: Infection Prevention Researcher

Education:

<u>Year</u>	<u>Discipline</u>	<u>Degree</u>	<u>Institution</u>
2006	Nursing	PhD	Saint Louis University
2006	Certificate in University Teaching Skills		Saint Louis University Reinert Center for Transformative Teaching & Learning
1996	Nursing	MSN Clinical Nurse Specialist Tract, Adult Health Infectious Diseases	University of Missouri, Columbia
1992	Nursing	BSN	Truman State University

Certifications:

CIC: Certified in Infection Control and Epidemiology, 1999 - current

Current Florida RN Nursing License # RN9617034. Obtained in Missouri August 1992; transferred to Florida in December, 2022.

Other:

FAPIC: Fellow of the Association for Professionals in Infection Control and Epidemiology. Obtained June, 2016.

Professional Experience:

January 2014 – current

Director, Institute for Biosecurity, Saint Louis University, College for Public Health & Social Justice
3545 Lafayette Room 463 St Louis, Missouri 63104

- * Provide academic oversight of all Biosecurity and Disaster Preparedness Graduate Programs, including assessment, revision, addition, or deletion of courses as needed
- * Developing and evaluating a Masters of Science (MS), Master of Public Health (MPH), and Doctor of Philosophy (PhD) in Biosecurity and Disaster Preparedness program through Saint Louis University, College for Public Health & Social Justice
 - These programs are provided primarily through distance-learning technology
- * Budget development and management
- * Student recruitment and retention
- * Identify, hire, train, and manage faculty members who teach courses in Biosecurity and Disaster Preparedness programs
- * Assist with accreditation reviews
- * Coordinating work, space, and assignments for Institute faculty and graduate students
- * Researching the most effective methods to reduce health risks associated with acts of terrorism, naturally occurring infectious disease events, and other public health risks
- * Publishing research findings in peer reviewed journal articles and abstract presentations at professional organization national meetings.
- * Developing and evaluating healthcare and public health training programs
- * Developing and presenting workshops on bioterrorism response, healthcare and public health preparedness, infection control, and infectious disease topics

July 2015 – current

Professor, Department of Epidemiology & Biostatistics, Saint Louis University, College for Public Health & Social Justice

3545 Lafayette Room 463 St Louis, Missouri 63104

- * Teach Master's and PhD level courses on infectious disease emergency planning topics, such as Disaster Planning, Communicable Diseases and Infection Control, and Legal and Ethical Implications of Disasters
- * Write and publish scientific journal articles related to bioterrorism, pandemics, and emerging infections issues
- * Participate in research projects related to planning for biological disasters, including bioterrorism, pandemics, and emerging infectious disease outbreaks
- * Development of educational programs and materials related to bioterrorism, pandemics, and emerging infections

January 2023 – Present

Infection Prevention Consultant for Association for Professionals in Infection Control and Epidemiology (APIC)

- * Principal Investigator and team lead of the CDC's Project Firstline infection prevention study
 - Led all phases of a national research study with infection preventionists, from project conceptualization and design to data analysis and reporting
 - Led a multidisciplinary research team and collaborated with CDC Project Firstline stakeholders to achieve the research objectives and ensure the research objectives aligns with CDC goals and stakeholder needs
 - Secured necessary approvals, including ethics and institutional review board (IRB) clearance for the study

- Implemented data collection protocols, monitoring data quality and survey progress
- Performed data cleaning and analysis using statistical software, interpreted findings, prepared and presented reports, and generated actionable insights.

*Team member and then lead of APIC's Innovation Testing Laboratory study: Multi-center evaluation of environmental contamination with *Clostridioides difficile* and *Candida* species in healthcare facilities

- Led implementation of the research protocol
- Oversaw all aspects of the research study, including protocol refinement, site recruitment, data sample collection, and data interpretation and reporting
- Collaborated with research team and healthcare facilities to recruit eligible participating sites

2020 – Present

Infectious Disease/Infection Prevention Consultant for School of the Art Institute of Chicago (SAIC).

*Provide subject matter expertise related to COVID-19 and School reopening plans

*Review and discuss SAIC's emergency management plan for COVID-19 and related documents

*Verify that SAIC's plans meet or exceed local, state, and federal guidelines. Make recommendations as appropriate

Previous Employment

July 2020 – June 2023

Special Assistant to the President, President's Office, Saint Louis University

- Led Saint Louis University's response to the COVID-19 pandemic
- Successfully reopened Saint Louis University for the entire fall 2020, spring 2021, fall 2021, spring 2022, fall 2022, and spring 2023 semesters
- Developed multidisciplinary teams to discuss and develop evidence-based COVID-19 safeguards and policies that are in line with University mission and values
- Identified, hired, and managed new members of the Contact Tracing team, testing clinics, and vaccination clinics
- Developed communications for internal and external stakeholders, including giving regular reports to University leadership and the Board of Trustees, developing and editing website content related to COVID-19 protocols, and responding to employee, student, parent, and alumni questions and concerns related to campus COVID-19 protocols
- Monitored and reported COVID-19 infection rates and trends on campus, regionally, and nationally
- Developed and managed asymptomatic and symptomatic testing plans and clinics for the University to help inform university COVID-19 policies
- Developed and helped manage COVID-19 mass vaccination clinics on campus
- Served as Co-Director for the SLU Contact Tracing team
- Developed plan for on-campus isolation and quarantine housing for infected and exposed students
- Provided hundreds of educational programs for individuals and groups related to campus COVID-19 protocols, including topics such as vaccine safety and efficacy, campus and community infection rates, symptomatic and asymptomatic testing protocols

March 2020 – July 2021

Associate Dean for Academic & Faculty Affairs, Saint Louis University, College for Public Health & Social Justice

3545 Lafayette Room 463 St Louis, Missouri 63104

- * Provide academic oversight and support to program leadership for the growth, differentiation, and pivoting of all academic programs at the College for Public Health and Social Justice
- *Provide Dean's office review, approval, and processing of academic proposals, forms, and paperwork
- * Ensures that academic programs are aligned with university and regulatory policies and requirements
- * Provides accreditation support to program leadership
- * Student recruitment and retention
- *Provides data and information to the Provost's Office as required

July 2010 – June 2015

Associate Professor, Institute for Biosecurity, Saint Louis University, College for Public Health & Social Justice

3545 Lafayette Room 463 St Louis, Missouri 63104

- *Teach Master's and PhD level courses on infectious disease emergency planning topics, such as Disaster Planning, Communicable Diseases and Infection Control, and Legal and Ethical Implications of Disasters
- *Write and publish scientific journal articles related to bioterrorism, pandemics, and emerging infections issues
- *Participate in research projects related to planning for biological disasters, including bioterrorism, pandemics, and emerging infectious disease outbreaks
- *Development of educational programs and materials related to bioterrorism, pandemics, and emerging infections

January 2006 – June 2010

Assistant Professor, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Room 463 St Louis, Missouri 63104

- *Teach Master's and PhD level courses on infectious disease emergency planning topics, such as Disaster Planning, Communicable Diseases and Infection Control, and Legal and Ethical Implications of Disasters
- *Write and publish scientific journal articles related to bioterrorism, pandemics, and emerging infections issues
- *Participate in research projects related to planning for biological disasters, including bioterrorism, pandemics, and emerging infectious disease outbreaks
- *Development of educational programs and materials related to bioterrorism, pandemics, and emerging infections

August 2005 - 2007

Associate Director for Curricular Affairs, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Ste 300 St Louis, Missouri 63104

- *Develop, coordinate, and evaluate Master's and PhD level curriculum for the MS, MPH, and PhD in Biosecurity and Disaster Preparedness programs
- *Develop competencies related to Master's level curriculum for the MS and MPH in Biosecurity and Disaster Preparedness programs

July 2000 – August 2005

Infectious Disease Specialist, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Ste 300 St Louis, Missouri 63104

- *Write and publish scientific journal articles related to bioterrorism and emerging infections issues
- *Participate in research projects related to bioterrorism and emerging infections
- *Development of educational programs and materials related to bioterrorism and emerging infections
- *Create and provide presentations related to bioterrorism

January 2005 – 2008

Infection Control Consultant, Planned Parenthood Federation

- *Moderate online Extranet site (“Ask the Expert”) on Infection Control information
- *Answer affiliate members’ questions regarding Infection Control topics

December 2005 – 2010

Observer/Controller, Texas Engineering Extension Service, Texas A & M University

- *Observer/controller for disaster drills and exercises

May 2003 – November 2005

Contributing Editor, Briefings on Infection Control, HCPro

- *Contributing editor for a monthly infection control newsletter
- *Identify topics for articles and people to interview for the stories
- *Review articles for accuracy
- *Provide expert advice on infection control from a regulatory and training standpoint

March 1997 – July 2000

Infection Preventionist Barnes-Jewish Hospital, St Louis, MO

306 S. Kingshighway St Louis, Missouri 63110

- *Participate in research projects related to Infection Control or Epidemiology
- *Development of educational programs related to Infection Control
- *Hospital Epidemiology

May 1996 – March 1997

Patient Services Supervisor Reproductive Health Services of Planned Parenthood, St Louis, Missouri

4251 Forest Park St Louis, Missouri 63108

- *Function as Director of Nursing over Medical Clinic (over 20 staff)
- *Quality Assurance/Risk Manager
- *Laboratory Supervisor
- *OSHA and Hazard Communications Program Manager
- *Education Coordinator for Medical Clinic
- *Research Coordinator for new medication protocol

January 1996 – May 1996

Clinical Research Coordinator AIDS Project of the Ozarks, Springfield, Missouri

1901 E. Bennett Ste D Springfield, Missouri 65804

- *Initiated clinical trials at this site
- *Recruitment and retention of clients
- *Case Management of clients on studies

November 1993 – May 1995

Charge Nurse Harry S. Truman Veteran’s Administration Hospital, Columbia, Missouri

800 Hospital Drive Columbia, Missouri 65201

- *RN on Cardiology step-down unit
- *Charge nurse over 6 staff and up to 27 patients

May 1992 – November 1993, Summers 1989 - 1991

Commissioned Officer, U.S. Public Health Service: RN U.S. Medical Center for Federal Prisoners, Springfield, Missouri

1900 W. Sunshine Springfield, MO 65807

- *RN on Medical Acute/AIDS floor
- *Charge nurse over 3 staff and up to 14 patients

Other Consulting

January 2001 – Present

Infectious Disease/Infection Prevention Consultant

*Develop educational materials/modules for various nursing organizations and publishing companies related to infectious disease and infection control issues

- Companies include Elsevier, Western Schools (SC Publishing), HCPro, and RBC Limited

*Edit educational modules for various publishing companies and journals related to infectious disease and infection control issues

2016 – Present

Infectious Disease/Infection Prevention Consultant for Hagerty Consulting, Inc.

*Provide subject matter expertise on projects related to emergency management

Example projects:

Chicago Department of Aviation:

- Develop educational and training materials related to COVID-19
- Assess Midway and O'Hare airports' reopening plans during the COVID-19 pandemic

National Academy of Sciences:

- Develop educational and training materials related to COVID-19
- Inform reopening plans during the COVID-19 pandemic

City of Austin's COVID-19 Response and Recovery Support

- Develop educational and training materials related to COVID-19
- Inform development and coordination of alternate care sites for the city of Austin, Texas during the COVID-19 pandemic

City of Chelsea Public Schools, Chelsea, Massachusetts

- Develop educational and training materials related to COVID-19
- Inform development of school reopening plans

Granite State Health Care Coalition COVID-19 Healthcare Sector Immunization Plan

- Develop educational and training materials related to COVID-19
- Inform development of mass vaccination plan for Granite State Health Care Coalition
- Develop plan for closed point of dispensing (POD) recruitment to aid in mass vaccination efforts

2008 – 2010

Infectious Disease/Infection Prevention Consultant for Safety Management Systems (SMS).

*Provide subject matter expertise related to healthcare infection prevention and emergency management

*Assess US hospitals for compliance with current Standards by the Joint Commission and other regulatory agencies

Teaching

<u>Dates</u>	<u>Course Title</u>	<u>Institution</u>
2019 – 2020	Facing the Challenges of International Bioterrorism	Saint Louis University
2016 – 2019	Biosecurity Capstone	Saint Louis University
2016 – 2020	Epidemiology of Infectious Diseases	Saint Louis University

2016	Global Health & Infectious Diseases	Saint Louis University
2010 – 2012	Biosecurity Seminar for PhD Students	Saint Louis University
2006 – 2020	Communicable Diseases & Infection Control	Saint Louis University
2006 – 2008	Fundamentals of Disaster Planning	Saint Louis University
2008 – present	Disaster Planning for Infectious Disease Disasters	Saint Louis University
2006 – 2013	Legal & Ethical Implications of Disasters	Saint Louis University

Guest Lectures:

2020	SARS-CoV-2 pandemic for Dr Carol Suit, PA Program, Saint Louis University	
2020	SARS-CoV-2 pandemic for Dr Genevieve Del Rosario, PA Program, Saint Louis University	
2020	Disaster Epidemiology for Dr Min Qian, Saint Louis University College for Public Health and Social Justice	
2019	Use of Lab Tests in the Real World for Dr Margaret Bulta, Saint Louis University, School of Nursing	
2019	Preparing for Biological Disasters for Kyle Foerst, Saint Louis University College for Public Health & Social Justice	
2019	Extreme Weather, Biosecurity, and Disaster Preparedness for Dr. Roger Lewis, Saint Louis University College for Public Health & Social Justice	
2017, 2018, 2019	Extreme Weather, Biosecurity, and Disaster Preparedness for Dr. Pam Xaverius, Saint Louis University College for Public Health & Social Justice	
2013 - 2020	Infectious Diseases & Infection Prevention, Adventures In Medicine and Science (AIMS) Summer Workshop, School of Medicine, Saint Louis University	
2016, 2018, 2019	Disaster Epidemiology for Dr Lauren Arnold, Saint Louis University College for Public Health and Social Justice	
2009 – 2017	Pandemic Preparedness for Dr Roger Lewis, Saint Louis University College for Public Health & Social Justice	
2015	Ebola: Law and Policy for Dr. Kristin Wilson, Saint Louis University College for Public Health and Social Justice	
2005 - 2015	Bioterrorism, Emerging Infectious Diseases and Disasters For Physician Assistant program, Saint Louis University	

2013, 2014	Bioterrorism, Emerging Infectious Diseases, and Disasters For Physician Assistant program, Saint Louis University
2012, 2013	Public Health Impact of Disasters for Dr Brett Emo, Saint Louis University College for Public Health and Social Justice
2011	Nurses' Role in Infectious Disease Practice. For Arnold Kaplan, School of Nursing
2010	Disaster Preparedness for Healthcare Agencies. For Dr Fernando Serrano, Health Management Policy. Saint Louis University College for Public Health and Social Justice
2010, 2009	Public Health Preparedness. For Dr Doug Adams, Public Health Administration, Saint Louis University College for Public Health and Social Justice
2009	Ethical Implications of Disasters. For Dr Joanne Langan, Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2009, 2008, 2007, 2006	Healthcare Associated Infection and Hospital Infection Control. For Infectious Disease Epidemiology, Saint Louis University College for Public Health and Social Justice
2008	Current Readiness for Infectious Disease Disasters. For Global Terrorism in the 21 st Century, Saint Louis University College for Public Health and Social Justice
2007	Bioterrorism & Infectious Disease Emergencies. For School of Social Work, Saint Louis University.
2006	Bioterrorism Preparedness. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2006	Role of the Public Health Department In Disaster Management. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2006	Smallpox. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing

Research Experience

Co-Principal Investigator, Applied Health Sciences Research Grant at Saint Louis University. Ability of Caregivers and First Responders to Accurately Describe Unidentified Children in Disasters. 2019 – 2020. \$5,000.

Principal Investigator, Institute of Clinical and Translational Sciences at Washington University, National Institutes of Health. Exposure and Preparedness for Natural and Man-Made Radiological Events. 2018 – 2019. \$49,938.

Principal Investigator, National Library of Medicine, National Institutes of Health. The Value of Improved and Sustained Information access By Library Expertise (VISIBLE) in Missouri. 2015-2016. \$29,600.

Principal Investigator, College for Public Health & Social Justice. Childcare Agency Staff Vaccination Compliance Program Needs Assessment. 2014. \$5,000.

Co-Primary Investigator, Sanofi-Pasteur. St. Louis County Pertussis CME Project. 2012 - 2015. \$20,000.

Co-Primary Investigator, Department of Medicine, Saint Louis University. Racial Disparities in Public Expectations of Hospitals for Non-Medical Resources During Disasters. 2013 - 2014. \$15,000.

Co-Primary Investigator, St Louis Department of Health. Healthcare Worker Influenza Vaccine Uptake Project. 2011. \$300,000.

Co-Primary Investigator, Department of Homeland Security. Protecting the human assets: Evaluation of healthcare worker ability to wear the recommended PPE during a pandemic influenza event. 2010 – 2012. \$350,000.

Co-Investigator, Meridian Medical Technologies, Inc. The quantification of the time difference between methods of administering organophosphate antidotes. 2005 – 2006, \$40,000.

Principal Investigator, Anne Zimmerman/American Nurses Foundation Grant, Nurses' Bioterrorism Preparedness and the Health Belief Model, 2005-2006, \$5,000.

Assessing classroom and laboratory spread of COVID-19 in a university after elimination of physical distancing. Oral abstract presented at the Association for Professionals in Infection Control and Epidemiology (APIC) conference. Orlando, FL. June 2023.

CD-ROM Based Education Programs

1. Bioterrorism Toolkit: Key Resources for Infection Control Professionals and Healthcare Workers. 2001. Role: Content creator, project manager, editor.

2. Bioterrorism Toolkit II: Key Resources for Infection Control Professionals and Healthcare Workers. April, 2002. Role: Content creator, project manager, editor.

3. Clinical Description and Epidemiology of Bioterrorism Agents: Anthrax, Smallpox, and Plague. April, 2002. Role: Content creator, project manager, editor.

4. Public Health Preparedness Toolkit: Key Resources for Public Health Professionals. April, 2002. Role: Content creator, editor.

5. Role of the Infection Control Professional In Bioterrorism Preparedness. May, 2003. Role: Content creator, project manager, editor.

6. Smallpox: Clinical Description & Recommendations for a Vaccination Program. February, 2003. Role: Content creator, editor.

7. Bioterrorism Preparedness for Nurses. January, 2005. Role: Content creator, project manager, editor.

8. Patient Decontamination. February, 2005. Role: Content creator, editor.

Journal Reviewer

- 2014 - present International Journal of Environmental Research and Public Health
- 2014 - present Maternal and Child Health Journal
- 2013 – present Emerging Infectious Diseases
- 2013 – present Canadian Medical Association Journal
- 2012 – present Vaccine

- 2011 - present Clinical Microbiology and Infection
- 2010 – present The Lancet
- 2010 – present Biosecurity and Bioterrorism: Strategy, Practice, and Science
- 2009 – present Australasian Emergency Nursing Journal
- 2005 – present Research in Nursing and Health
- 2004 – present Journal of Advanced Nursing
- 2004 – present Infection Control and Hospital Epidemiology
- 2002 – present American Journal of Infection Control

Continuing Education/Online Journal Reviewer

- 2004 – present Western Schools (nursing series) <http://www.westernschools.com>

External Service Opportunities: Offices & Positions Held

- 2023 – current Member, Association for Professionals in Infection Control and Epidemiology (APIC) Emerging Infectious Diseases Committee
- 2023 Member, The Joint Commission Emerging Infectious Diseases Preparedness Technical Advisory Panel. March, 2023
- 2022 – 2023 Member, Association for Professionals in Infection Control and Epidemiology (APIC) and American Nurses Association (ANA) Monkeypox Response Team
- 2021 - 2022 Member, American Nurses Association (ANA) Faculty Lead for Project ECHO
- 2020 - 2022 Member, American Nurses Association (ANA) Faculty Lead for Project Firstline
- 2020 - 2023 Member, APIC COVID-19 Task Force
- 2020 – 2022 Board Member, Certification Board of Infection Control and Epidemiology (CBIC)
- 2017 – current Member, Editorial Board of the Journal of Refugee and Global Health
- 2015-2017 Member of the Certification Board of Infection Control and Epidemiology (CBIC) Test Development Committee as an Item/Question Writer
- 2015 – current Member of the Missouri Biosecurity Working Group
- 2014 Member of the APIC Ebola Task Force
- 2014 Member of the Centers for Disease Control & Prevention (CDC) National Institute for Occupational Safety & Health (NIOSH) Special Emphasis Panel (SEP) as a grant reviewer
- 2014 Member of the Certification Board of Infection Control and Epidemiology (CBIC) Job Task Analysis Committee as a Subject Matter Expert (SME)
- 2014 Member of the NIOSH National Personal Protective Technology Laboratory’s Post-Market Surveillance Working Group
- 2013 SLU representative in the St. Louis County MAPP Advisory Committee
- 2009 - current Media spokesperson for Association for Professionals in Infection Control and Epidemiology (an international organization) on issues related to disaster preparedness
- 2011 -2012 Delphi Panel Member, Emergency Planning in Health Care: Scoping Study, an international Delphi panel organized by the Manchester Metropolitan University, the University of Sheffield and the Health Protection Agency
- 2011 Board Member, APIC Chapter 73
- 2010 President, APIC Chapter 73
- 2011 – current Member, Editorial Board for Journal of Bioterrorism & Biodefense
- 2009 – 2015 Member, Editorial Board for American Journal of Infection Control (AJIC)
- 2009 – current Member, International Editorial Board for Australasian Emergency Nursing Journal

- 2009 President Elect, APIC Chapter 73
- 2009 – 2012 Volunteer, BJC Hospice [Visit hospice patients, create blankets, cards, and other products for hospice patients and their family members, and assist with the annual Stepping Stones Camp (a bereavement camp for children who have lost a family member or friend in the past year)]
- 2009, 2010, 2011, 2012, 2013 Member/presenter, Rockwood School District Career Fair
- 2006 – 2010 Member/presenter, Rockwood South Middle School Science Career Day
- 2009 – Mentored two Clayton High School students for a summer research project
- 2008, 2010, 2011, 2012, 2013, 2014 Faculty Mentor, Student and Teachers as Research Scientists (STARS) Program volunteer
- 2004 – 2012 Member, APIC Emergency Preparedness Committee
- 2006 – 2008 Chair, APIC Emergency Preparedness Committee
- 2005 – 2006 Co-Chair, APIC Emergency Preparedness Committee
- 2005 – 2009 Volunteer, Bowles Elementary BookTalk leader
- 2001 – 2010 Volunteer, Outreach education with elementary students on hand hygiene practices
- 2000 – 2004 Member, APIC National Bioterrorism Working Group
- 2004 – 2005 Member, APIC National Bioterrorism and Emerging Infections Task Force
- 2005 – current Advisory Board member, HcPro’s Briefings on Infection Control
- 2004 - 2004 Course Coordinator, Association for Professionals in Infection Control and Epidemiology Bioterrorism Course
- 2002 – 2004 Smallpox Consultant, St Louis Region Metropolitan Medical Response System
- 2002 – 2004 Treasurer, Local APIC Chapter 73
- 2002 – 2004 Treasurer, Bi-State Infectious Disease Conference Planning Committee
- 2002 – 2003 Bioterrorism/Infection Control Consultant, National Veterans Administration Security Assessment Task Group

Internal/University Service Opportunities: Offices & Positions Held

- 2020 – ongoing Member, Saint Louis University Undergraduate Associate Dean Committee
- 2020 – ongoing Member, Saint Louis University Graduate Associate Dean Committee
- 2020 – 2021 Co-Chair, Learning Technologies Advisory Committee, Saint Louis University
- 2019 – 2020 Member, Department of Epidemiology & Biostatistics’ Promotion and Tenure Committee
- 2018 – 2020 Member, Distance Education Committee, Saint Louis University
- 2016 – ongoing Faculty Advisor, Student Outbreak Response Team (SORT)
- 2013 - 2021 Member, Saint Louis University College for Public Health and Social Justice’s MPH Steering Committee
- 2010 – ongoing Member, Reinert Center for Transformative Teaching and Learning’s Advisory Board, Saint Louis University
- 2018 – 2019 Chair, Department of Epidemiology & Biostatistics’ Promotion and Tenure Committee
- 2018 - 2019 Member, Learning Technologies Advisory Committee, Saint Louis University
- 2017 – 2018 Member, Department of Epidemiology & Biostatistics’ Promotion and Tenure Committee
- 2017 – 2018 Chair, Department of Epidemiology & Biostatistics’ Vision Committee
- 2015 – 2016 Member, Saint Louis University College for Public Health and Social Justice’s Promotion and Tenure Committee
- 2014 - 2016 Member, Saint Louis University College for Public Health and Social Justice’s Research Advisory Council
- 2013 – 2017 Member, Saint Louis University College for Public Health and Social Justice’s

Doctoral Program Committee

- 2013 – 2019 Member, Saint Louis University College for Public Health and Social Justice's Academic Affairs Committee
- 2013 - 2014 Member, Saint Louis University College for Public Health and Social Justice's Pedagogy Committee
- 2012 – 2014 Saint Louis University Closed Point of Dispensing (POD) Planning Committee
- 2009 – 2014 Member, Saint Louis University Institutional Biosafety Committee
- 2011 - 2012 Member, Saint Louis University School of Public Health's Transition Task Force
- 2010 - 2012 Member, Saint Louis University School of Public Health's Education Committee
- 2008 - 2010 Member, Saint Louis University School of Public Health's Research Committee
- 2008 - 2013 Coordinator for curricular affairs, Institute for Biosecurity, Saint Louis University, School of Public Health
